

## Join us for a special day of giving

### September 6, 2023

Emily,

When you give on [Medical Teams Giving Day](#), September 6, you'll join a team of people who care passionately about the health of our neighbors around the world.

**Thanks to a generous donor, every gift made on Medical Teams Giving Day will be DOUBLED until we reach \$10,000!**

Your donation means a mother can get prenatal care. Your gifts stock clinic shelves with medicine and supplies. Your generosity means a child is treated for malaria.

When you give, you provide loving, life-saving medical care to people in their moment of crisis.

Every minute could be a miracle. It only takes a minute for **you** to change a life.

Give today for healing tomorrow. [Save the date](#) to join other Medical Teams supporters on this special day of giving!
