To have 2X the impact

Emily,

Great news – our initial \$10,000 match has been met! If you already gave, THANK YOU. Your gift is going to work right away to provide loving, life-saving medical care to people around the world.

But there is even better news! Another generous donor has stepped up with a second match. That means there is still time to have your gift go 2X as far!

The second donor has promised to **DOUBLE every donation made today up to \$15,000**. Don't wait! The match ends tonight at 11:59 p.m.

Your gift will help a baby like Stella fight malaria. Your donation means a pregnant mother like Yatzil can get the prenatal care she needs. Your generosity means a little boy like Kingstone receives emergency nutrition.

You and the extraordinary Medical Teams community are bringing loving, life-saving medical care to people around the world.

Will you take just one minute to send twice the medical care to someone who needs it?

Thank you for sharing your blessings and your generous heart with our neighbors around the world.

Martha Holley Newsome
President & CEO

P.S. Don't wait – the new match ends tonight at 11:59 p.m. **Rush your gift now!**
