

Emily,

Giving Tuesday is in two weeks, but starting today **your gift DOUBLES!** I am grateful that this year we have a special Giving Tuesday matching grant, which means your gift will be matched dollar-for-dollar.

**Your gift can help save lives right now.**

Will you join this global movement of generosity and help provide life-saving medical care today? [Double my Giving Tuesday gift now! >>](#)

It only takes \$25 to bring life-saving medical care to one person.

With your gift today, you can:

- Provide emergency medical care to refugees as they arrive to the border in Uganda
- Send mental health support to Ukrainian refugees
- Give loving care to babies born prematurely
- And so much more!

With your help, we're aiming to raise \$60,000 this November to bring medical care to people in crisis across the globe. Will you help make that happen?

I hope you'll choose to dare to love like Jesus, providing hope and healing to people who are hurting.

I'm so grateful for your generosity.

Blessings,
