

LAST CHANCE: Giving Tuesday ends soon!

Send **2X** the life-saving medical care

Emily,

I wouldn't write you again unless it was urgent. With only hours remaining, there are still match funds left.

I'm praying that you'll give now and make sure none of these matched funds are left on the table. Every little bit counts toward our \$65,000 goal.

Will you double your gift now and send 2X the loving, life-saving medical care to our brothers and sisters around the world?

Meet the match!

Your donation is more than just money. It's a symbol of your love and compassion in action. You live out your belief that all people are made in God's image when you open your heart and give.

Through your gift, you act, heal, and love.

Will you help heal this Giving Tuesday? [Double your gift today >>](#)

Your gift means a mother can sing her newborn baby to sleep after a safe delivery. Because of you, a child can go to school after being sick with malaria. Your generosity means a father can play with his children after eating a nutritious dinner.

God asks us to love one another as He has loved us. Show your love for people around the world facing crisis by giving today. **[Give now to match your gift dollar-for-dollar.](#)**

With many blessings,

Martha Holley Newsome
President & CEO

P.S. Don't wait! Giving Tuesday only comes once a year, and it's almost over.
