

Emily,

It's ThanksGIVING! As Black Friday sales hit your inbox, don't be afraid to hit pause and reflect on the reason for this season. I think 2 Corinthians 9:6-8 captures this season of giving perfectly:

Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously. 7 Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. 8 And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.

As you think about what you might buy on Black Friday, remember that Giving Tuesday is just around the corner.

On Giving Tuesday, **your gift DOUBLES!** Now is the time to send 2X the medical care to someone facing crisis.

Double Your Gift

"Someone" is a mother like Joseline. A young mother herself, Joseline left her home in Burundi with her husband at her mother's urging. Her mother couldn't bear to watch her children die in war, so Joseline and her family fled to Tanzania.

But once there, while pregnant with her fourth child, she began experiencing severe mental distress. The experience of leaving her home and fearing for her life affected her mental well-being. It wasn't until Medical Teams intervened that she got the care she needed.

"The staff are friendly and compassionate toward patients...The Medical Teams clinic continued to help me in any way they could. My health is much better than it was before. I don't hear noises anymore, and I feel not alone." — Joseline Niagara

Joseline's story warms my heart – generous donors like you made it possible for her to heal after a terrifying experience. When you give today, you provide healing and hope for someone just like Joseline.

With blessings,
