

Emily,

You're hearing from us today for one simple reason: we're grateful.

Last week, this incredible community showed up for Giving Tuesday. Our goal was to raise \$65,000 to send life-saving medical care to our brothers and sisters around the world.

Things didn't go the way we planned, but you still helped save lives.

You gave \$41,196 – and because of the special match, that became \$82,392.

Because of you, 3,295 people will have the medical care, supplies, and the support of their community as they face crises next year.

Thank you so much for your generous support. You're the reason a mother has a doctor to bring her baby to when they get sick. You make it possible for a nurse to pull on a clean gloves in between patients. You help community health workers connect their neighbors to care.

Together, we can help heal our hurting world. Thank you for opening your heart and showing God's love to people facing crisis.

We hope you'll join us in celebrating!

With blessings,

Medical Teams International

P.S. Make your gift go further! **[Find out if your employer will match your Giving Tuesday donation](#)** and have twice the impact.
